conducted by the mysterious Dr. Shields, she thinks all she’ll have to do is answer a few questions, collect her money, and leave. Question #1: Could you tell a lie without feeling guilty? But as the questions grow more and more intense and invasive and the sessions become outings where Jess is told what to wear and how to act, she begins to feel as though Dr. Shields may know what she’s thinking...and what she’s hiding. Question #2: Have you ever deeply hurt someone you care about? As Jess’s paranoia grows, it becomes clear that she can no longer trust what in her life is real, and what is one of Dr. Shields’ manipulative experiments. Caught in a web of deceit and jealousy, Jess quickly learns that some obsessions can be deadly. Question #3: Should a punishment always fit the crime? From the authors of the blockbuster bestseller The Wife Between Us comes an electrifying new novel about doubt, passion, and just how much you can trust someone. Praise for The Wife Between Us: “A fiendishly smart cat-and-mouse thriller” —New York Times Book Review “[A] seamless thriller that will keep you toes to enjoy the dizzying back-and-forth as they attempt to figure out just who to root for and as the suspense ratchets up to one hell of a conclusion.” —Booklist

*Arabic-English-Arabic Legal Translation* Hanem El-Farahaty 2015-05-12 Arabic-English-Arabic Legal Translation provides a groundbreaking investigation of the issues found in legal translation between Arabic and English. Drawing on a contrastive-compassive approach, it analyses parallel authentic legal documents in both Arabic and English to examine the features of legal discourse in both languages and uncover the different translation techniques used. In so doing, it addresses the following questions: What are the features of English and Arabic legal texts? What are the similarities and differences of English and Arabic legal texts? What are the difficulties of legal translation between English and Arabic legal texts? What are the techniques for translating these difficult areas on the lexical and syntactic levels? Features include: A thorough description of the features of legal translation in both English and Arabic, drawing on empirical new research, corpus data analysis and
strategic two-way comparisons between source texts and target texts
Coverage of a broad range of topics including an outline of the chosen framework for data analysis, a historical survey of legal discourse developments in both Arabic and English and detailed analyses of legal literature at both the lexical and syntactic levels. Attention to common areas of difficulty such as Shariah Law terms, archaic terms and model auxiliaries. Many examples and excerpts from a wide selection of authentic legal documents, reinforced by practical discussion points, exercises and practice drills to encourage active engagement with the material and opportunities for hands-on learning. Wide-ranging, scholarly and thought-provoking, this will be a valuable resource for advanced undergraduates and postgraduates on Arabic, Translation Studies and Comparative Linguistics courses. It will also be essential reading for translation professionals and researchers working in the field.
