The Affordable Care Act Tamara Thompson 2014-12-02 The Patient Protection and Affordable Care Act (ACA) was designed to increase health insurance quality and affordability, lower the uninsured rate by expanding insurance coverage, and reduce the costs of healthcare overall. Along with sweeping change came sweeping criticisms and issues. This book explores the pros and cons of the Affordable Care Act, and explains who benefits from the ACA. Readers will learn how the economy is affected by the ACA, and the impact of the ACA rollout.

Global Americans Maria Montoya 2016-10-14 GLOBAL AMERICANS speaks to an increasingly diverse population of students who seek to understand the place of the United States in a shifting global, social, cultural, and political landscape. America's national experience and collective history have always been subject to transnational forces and affected by global events and conditions. In recognition of this reality, this insightful new text presents a history of North America and then the United States in which world events and processes are central rather than colorful sidelights. The narrative recovers the global aspects of America's past and helps students understand the origins of the interconnected world in which they live. By weaving together stories, analysis, interpretation, visual imagery, and primary sources from across time and place, this book presents a revised history that reflects America's -- and Americans' -- relationship to events and peoples across the continent and beyond. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Spanish Crosswords Lexis Rex 2016-11-17 For intermediate and advanced Spanish language students, this book contains a collection of 125 Spanish crosswords with English clues. Play these crosswords alongside your language studies to improve your vocabulary while enjoying the challenge of completing each puzzle. Level 3 selects from an unlimited pool of words in common usage to create the crosswords and has a larger vocabulary than the Level 1 and 2 books.
