The Masterpiece Émile Zola 2016-07-10 The Masterpiece is the tragic story of Claude Lantier, an ambitious and talented young artist from the provinces who has come to conquer Paris and is conquered by the flaws in his own genius. While his boyhood friend Pierre Sandoz becomes a successful novelist, Claude's originality is mocked at the Salon and turns gradually into a doomed obsession with one great canvas. Life - in the form of his model and wife Christine and their deformed child Jacques - is sacrificed on the altar of Art. The Masterpiece is the most autobiographical of the twenty novels in Zola's Rougon-Macquart series. Set in the 1860s and 1870s, it provides a unique insight into his career as a writer and his relationship with Cézanne, a friend since their schooldays in Aix-en-Provence. It also presents a well-documented account of the turbulent Bohemia world in which the Impressionists came to prominence despite the conservatism of the Academy and the ridicule of the general public. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Swann in Love Marcel Proust 2017-11-16 'Swann's love . . . could not have been torn out of him without destroying him almost entirely' Swann in Love is a brilliant, devastating novella that tells of infatuation, love, and jealousy. Set against the backdrop of Paris at the end of the nineteenth century, the story of Charles Swann illuminates the fragilities and foibles of human beings when in the grip of desire. Swann is a highly cultured man-about-town who is plunged into turmoil when he falls for a young woman called Odette de Crécy. The novel traces the progress of Swann's emotions with penetrating exactitude as he encounters Odette at the regular gatherings in the salon of the Verdurins. His wilful self-delusion is both poignant and ridiculous, and his tormented feelings play out in scenes of high comedy amongst Odette's socially pretentious circle. Swann in Love is part of Proust's monumental masterpiece In Search of Lost Time, and it is also a captivating self-contained story. This new translation encapsulates the qualities that have secured Proust's reputation, and serves as a perfect introduction to his writing.

Framing French Culture Ben McCann 2015 Throughout this book, the
The concept of framing is used to look at art, photography, scientific drawings and cinema as visually constituted, spatially bounded productions. The way these genres relate to that which exists beyond the frame, by means of plastic, chemically transposed, pencil-sketched or moving images allows us to decipher the particular language of the visual and at the same time circumscribe the dialectic between presence and absence that is proper to all visual media. Yet, these kinds of re-framing owe their existence to the ruptures and upheavals that marked the demise of certain discursive systems in the past, announcing the emergence of others that were in turn overturned.

Tattooed Memory (La Mémoire tatouée) is the first novel of the great Moroccan critic and novelist Abdelkébir Khatibi (1938-2009). Only one other novels has been translated into English (Love In Two Languages, 1991). Khatibi belongs to the generation following the foundational generation of writers such as Driss Chraïbi. For Khatibi's generation, French colonialism is a vibrant memory - but a memory from childhood. Tattooed Memory is part bildungsroman, part anticolonial treatise, and part language experiment, and it takes us from earliest childhood memory to young adulthood.

Bloodied Hands Adelaide Forrest 2020-02-20
She’s an innocent. Caught in the wrong place at the wrong time. My Angel is the one who got away - the only person in the world I love. When she is caught in an unsanctioned bank robbery in my territory, only my reputation protects her. She should have stayed away. Instead, she charges back into my life like a shining beacon in my otherwise bleak existence. She has no place in my world where hardened criminals toy with the lives of the innocent. A better man would let her go - again. There's no white picket fence in life with a Bellandi, and she deserves so much more. I pushed her away once, but now that she's back I won't let anything else come between us. Not even Ivory herself. Disclaimer: Bloodied Hands is a full-length standalone novel with crime syndicate members and dark content. The Bellandi Crime Syndicate Series includes several full-length standalones with HEA that can be read in any order, but would present a better reading experience following the suggested reading order.

**The Rise of Evangelicalism** Mark A. Noll 2015-05-21
Winner of a Christianity Today 2005 Book Award! The word evangelical is widely used and widely misunderstood. Where did evangelicals come from? What motivated them? How did their influence become so widespread throughout the world during the eighteenth century? In this paper edition of this inaugural book in a series that charts the course of...
English-speaking evangelicalism over the last 300 years, Mark Noll offers a multinational narrative of the origin, development and rapid diffusion of evangelical movements in their first two generations. Theology, hymnody, gender, warfare, politics and science are all taken into consideration. But the focus is on the landmark individuals, events and organizations that shaped the story of the beginnings of this vibrant Christian movement. The revivals in Britain and North America in the mid-eighteenth century proved to be foundational in the development of the movement, its ethos, beliefs and subsequent direction. In these revivals, the core commitments of evangelicals were formed that continue to this day. In this volume you will find the fascinating story of their formation, their strengths and their weaknesses, but always their dynamism.

Livres de France 2002

The Portrait Iain Pears 2006 After the dazzling achievement of his bestsellers An Instance of the Fingerpost (“May well be the best historical mystery ever written.” —The Boston Globe) and The Dream of Scipio (“A virtuoso display of craftsmanship.” —Maclean’s), Iain Pears returns with a stunning novel of suspense and revenge. An influential art critic in the early years of the twentieth century journeys from London to the remote island of Houat, off France’s northwest coast, to sit for a portrait painted by an old friend, a gifted, once acclaimed artist living in self-imposed exile. Over the course of the sitting, the painter recalls their years of friendship, the double-edged gift of the critic’s patronage, the power he wielded over aspiring artists, and his apparent callousness in anointing the careers of some and devastating the lives of others. The balance of power between the two men shifts dramatically — and ominously — as the critic becomes a passive subject; and as the painter slowly captures the character of the man on canvas, we discover why he left London suddenly and mysteriously at the height of his success and why now, with dark determination, he has taken on this unusual commission. Set against the dramatic, untamed landscape of Brittany, during one of the most explosive periods in art history, The Portrait is rich with atmosphere and suggestion, and psychological complexity. With the marvellous detail of a miniature, it brings to the fore the great artistic figures of the late nineteenth century, and their ambitions and desires. And it is a novel you will want to begin again immediately after turning the last chilling page, to read once more with a watchful eye and appreciate the hand of an ingenious storyteller at work. From the Hardcover edition.

The Woman Who Lost Her Soul Bob Shacochis 2013-09-03 Pulitzer Prize finalist: “A soaring literary epic about the forces that have driven us to the 9/11 age . . . relentlessly captivating” (Ron Charles, The Washington Post). When humanitarian lawyer Tom Harrington travels to Haiti to investigate the murder of a beautiful photojournalist, he is confronted with a dangerous landscape riddled with poverty, corruption, and voodoo. It’s the late 1990s, a time of brutal guerrilla warfare and civilian kidnappings. The journalist, whom he knew years before as Jackie Scott, had a bigger investment in Haiti than it seemed. To make sense of her death, Tom must plunge back into his complicated ties to Jackie—and her mysterious past. Shacochis traces Jackie’s shadowy family history from the outlaw terrain of World War II Dubrovnik to 1980s Istanbul. Caught between her first love and her domineering father—an elite Cold War spy pressuring her to follow in his footsteps—seventeen-year-old Jackie hatches a desperate escape plan. But getting out also puts her on the path that turns her into the soulless woman Tom fears as much as desires. Set over fifty years and in four war-torn countries, The Woman Who Lost Her Soul is National Book Award winner Bob Shacochis’s masterpiece and a magnum opus. It brings to life an intricate portrait of catastrophic events that led up to the war on terror and the America we are today.

The Clockmaker's Daughter Kate Morton 2019-05-21 INSTANT NEW YORK TIMES BESTSELLER “An ambitious, compelling historical mystery with a fabulous cast of characters...Kate Morton at her very best.” —Kristin Hannah “An elaborate tapestry...Morton doesn’t disappoint.” —The Washington Post "Classic English country-house Goth at its finest." —New York Post In the depths of a 19th-century winter, a little girl is abandoned on the streets of Victorian London. She grows up to become in turn a thief, an artist’s muse, and a lover. In the summer of 1862, shortly after her eighteenth birthday, she travels with a group of artists to a beautiful house on a bend of the Upper Thames. Tensions simmer and one hot afternoon a gunshot rings out. A woman is killed, another disappears, and the truth of what happened slips through the cracks of time. It is not until over a century later, when another young woman is drawn to Birchwood Manor, that its secrets are finally revealed. Told by multiple voices across time, this is an intricately layered, richly atmospheric novel about art and passion, forgiveness and loss, that shows us that sometimes the way forward is through the past.
