Willnot James Sallis 2016-06-21 In his acclaimed career, James Sallis has created some of the most finely drawn protagonists in crime fiction, all of them memorable observers of the human condition: Lew Griffin, the existential black New Orleans private investigator; retired detective John Turner; the unnamed wheelman in Drive. Dr. Lamar Hale will now join the ranks of Sallis’s finest characters. In the woods outside the town of Willnot in rural Virginia, the remains of several people have suddenly been discovered, unsettling the community and Hale, the town’s all-purpose general practitioner, surgeon, and town conscience. At the same time, Bobby Lowndes—military records disappeared, of interest to the FBI—mysteriously re-appears in his home town, at Hale’s door. "Willnot was a lake into which rocks had been thrown; mud still swirled." Over the ensuing months, the daily dramas Hale faces as he tends to his town and to his partner, Richard, bump up against the inexplicable vagaries of life in Willnot. And when a gunshot aimed at Lowndes critically wounds Richard, Hale’s world is truly upended. Just as great artists can draw a face and create a presence in a few brush strokes, James Sallis conjures indelible characters and scenes in a few sentences. In its brilliant conciseness Willnot presents an unforgettable world. "You live with someone year after year, you think you’ve heard all the stories," Lamar observes, "but you never have."

Black Hornet James Sallis 2019-11-12 With this flashback novel to Lew Griffin’s past, James Sallis takes readers to 1960s New Orleans, a sun-baked city of Black Panthers and other separatists. A sniper has fatally shot five people. When the sixth victim is killed, Lew Griffin is standing beside her. Though they are virtual strangers, it is left to Griffin to avenge her death, or at least to try and make some sense of it. Cripple Creek James Sallis 2009-05-26 As this tale opens, Turner, ex-cop, ex-con, and ex-
psychotherapist, remains on the lam in rural Cypress Grove, Tennessee, escaping the demons of past lives in Memphis, but he is starting to mend. There's a developing relationship with Val Bjorn, teacher and country musician; there's the appearance of his daughter from Seattle; and there's the fact that he has come out of hibernation to accept the job as deputy sheriff of Cypress Grove. Then his boss, the kindly sheriff, is assaulted by a gang of mobbed-up toughs in the act of breaking one of their own out of the small-town jail. Turner pursues the thugs to Memphis, confronting his past and giving vent to his suppressed blood lust. Every action prompts a reaction, however, and soon the thugs return to Cypress Grove looking for some blood of their own. Sallis tells the violent tale quietly, effectively using jump cuts, flashbacks, and flashforwards to generate both suspense and, simultaneously, a sense of inevitability.

**The Killer Is Dying**

*James Sallis* 2011-09-20

A hired killer on his final job; a burned-out detective whose wife is dying slowly and in agony; a young boy abandoned by his parents and living alone by his wits. Three people, solitary and disconnected from society. The detective is looking for the killer, Christian, though he doesn't know that. Christian is trying to find the man who stepped in and took down his target before he had the chance. And the boy, Jimmie, is having the killer's dreams. While they never meet, they are inextricably linked, and as their stories unfold, all find the solace of community. In what is at one and the same time a coming-of-age novel, a realistic crime novel and a novel of the contemporary Southwest, The Killer Is Dying is above all the story of three men of vastly different age and background, and of the shape their lives take against the unforgiving sunlight and sprawl of America's fifth largest city, Phoenix. 'James Sallis is a superb writer' - *Times* 'Sallis is an unsung genius of crime writing' - *Independent* 'Sallis creates vivid images in very few words and his taut, pared down prose is distinctive and powerful' - *Sunday Telegraph* Don't miss other works by James Sallis, including the Turner trilogy and the Lew Griffin series

**Ghost of a Flea**

*James Sallis* 2012-05-11

The final Lew Griffin novel 'Somewhere, among the wastes of the world, is the key that will bring us back, restore us to our Earth and to our freedom,' Pynchon wrote in Gravity's Rainbow. Never has a man's search among those wastes, for that freedom, been better represented than in this stunning conclusion to the Lew Griffin cycle. In his old house in uptown New Orleans, Lew Griffin is alone again...or almost. He and Deborah are drifting apart. His son David has disappeared again, leaving behind a note that sounds final. Heading homeward from his retirement party, his friend, Don Walsh has been shot while interrupting a robbery. Worst of all, Lew himself is directionless, no longer teaching, with little to fill his days. He hasn't written anything in years. Even the attempt to discover the source of threatening letters sent to a friend leaves him feeling rootless and lost. Through five previous novels, James Sallis has enthralled and challenged readers as he has told the story of Lew Griffin, private detective, teacher, writer, poet, and a black man moving through a white man's world. And now Lew Griffin stands alone in a dark room, looking out. Behind him on the bed is a body. Wind pecks at the window. Traffic sounds drift aimlessly in. He thinks if he doesn't speak, doesn't think about what happened, somehow things will be alright again. He thinks about his own life, about the other's, about how the two of them came to be here... In a series as much about identity as it is about crime, Sallis has held a mirror up to society and culture, while at the same time setting Lew Griffin the task of discovering who he is. As the detective stands in that dark room, the answers begin to come clear and the highly acclaimed series builds to a brilliantly constructed climax that will resonate in readers' minds long after the story is finished. 'Classic American crime of the highest order' - *Time Out* 'An unsung genius of crime writing' - *Independent* on Sunday 'He's right up there, one of the best of the best. His series of novels about private eye Lew Griffin is thoughtful, challenging and beautifully written' - *Iain Sinclair, Guardian* 'James Sallis is a superb writer' - *The Times* Don't miss the other novels in the Lew Griffin series: The Long Legged Fly, Moth, Black Hornet, Eye of the Cricket, Bluebottle and Ghost of a Flea.

**That Old Cape Magic**

*Richard Russo* 2009-08-04

For Griffin, all paths, all memories, converge at Cape Cod. The Cape is where he...
took his childhood summer vacations, where he and his wife, Joy, honeymooned, where they decided he’d leave his LA screenwriting job to become a college professor, and where they celebrated the marriage of their daughter Laura’s best friend. But when their beloved Laura’s wedding takes place a year later, Griffin is caught between chauffeuring his mother’s and father’s ashes in two urns and contending with Joy and her large, unruly family. Both he and she have also brought dates along. How in the world could this have happened? By turns hilarious, rueful, and uplifting, That Old Cape Magic is a profoundly involving novel about marriage, family, and all the other ties that bind.

The Long-Legged Fly James Sallis 2012-05-10

But the disappearance of a militant woman activist is about to set Griffin on a roller-coaster careening towards rock bottom - carrying the brilliant, tormented black P.I. ever closer to a nightmare that threatens to hit him where he lives - and more brutally than he ever imagined possible. ‘Classic American crime of the highest order’ - Time Out ‘An unsung genius of crime writing’ - Independent on Sunday 'He's right up there, one of the best of the best. Drive James Sallis 2010-05-27
Much later, as he sat with his back against an inside wall of a Motel 6 just north of Phoenix, watching the pool of blood lap toward him, Driver would wonder whether he had made a terrible mistake. Later still, of course, there’d be no doubt. But for now Driver is, as they say, in the moment. And the moment includes this blood lapping toward him, the pressure of dawn’s late light at windows and door, traffic sounds from the interstate nearby, the sound of someone weeping in the next room....Thus begins Drive, a new novella by one of the nation’s most respected and honored writers of noir fiction. Set mostly in Arizona and L.A., the story is, according to Sallis, “about a guy who does stunt driving for movies by day and drives for criminals at night. In classic noir fashion, he is double-crossed and, though before he has never participated in the violence (‘I drive. That’s all.’), he goes after the ones who doublecrossed and tried to kill him.”

Bluebottle James Sallis 2019-12-03
Weaving Griffin’s search for identity—one of the recurring themes in this magnificent series of novels—with a sensuous portrait of the people and places that define New Orleans, James Sallis continues not only to unravel Griffin's past but to map his future . . . and our own. As Lew Griffin leaves a New Orleans music club with an older white woman he has just met, someone fires a shot and Lew goes down. When he comes to, he discovers that most of a year has gone by since that night. Who was the woman? Which of them was the target? Who was the shooter? Somewhere in the Crescent City—and in the white supremacist movement crawling through it—there's an answer. But to get to it, he is going to have to work with the only people offering help, people he knows he should avoid.

Salt River James Sallis 2009-05-26
The poignant and surprising new thriller by one of America’s most acclaimed writers. Few American writers create more memorable landscapes—both natural and interior—than James Sallis. His highly praised Lew Griffin novels evoked classic New Orleans and the convoluted inner space of his black private detective. More recently—in Cypress Grove and Cripple Creek—he has conjured a small town somewhere near Memphis, where John Turner-ex-policeman, ex-con, war veteran and former therapist—has come to escape his past. But the past proved inescapable; thrust into the role of Deputy Sheriff, Turner finds himself at
the center of his new community, one that, like so many others, is drying up, disappearing before his eyes. As Salt River begins, two years have passed since Turner’s amour, Val Bjorn, was shot as they sat together on the porch of his cabin. Sometimes you just have to see how much music you can make with what you have left, Val had told him, a mantra for picking up the pieces around her death, not sure how much he or the town has left. Then the sheriff’s long-lost son comes plowing down Main Street into City Hall in what appears to be a stolen car. And waiting at Turner’s cabin is his good friend, Eldon Brown, Val’s banjo on the back of his motorcycle so that it looks as though he has two heads.

“They think I killed someone,” he says. Turner asks: “Did you?” And Eldon responds: “I don’t know.” Haunted by his own ghosts, Turner nonetheless goes in search of a truth he’s not sure he can live with.

Heir to the Glimmering World Cynthia Ozick

2005-09-01 A teenage girl goes to work for a chaotic family of Jewish immigrants, in a New York Times bestseller that’s “a cause for
celebration” (Ann Patchett). In the 1930s, New York is swarming with Europe’s ousted dreamers, alien families adapting to a new world. Rose Meadows unknowingly enters the lives of one such family when she answers an ad for an “assistant” to a Herr Mitwisser, the patriarch of a large household living in an obscure little neighborhood, in a remote corner of the sparse and weedy northeast Bronx. With an uncertain future, and no clear idea of her duties, Rose—orphaned at eighteen and recently turned out by lover—has become a refugee among refugees. Expelled from Berlin’s elite, Professor Mitwisser—a researcher obsessed with an arcane religious doctrine—lives with his wife, a prominent physicist now quietly going mad, and Anneliese, their willful sixteen-year-old daughter. When Anneliese’s fierce longing draws a new outcast into the fold—a vagrant actor running from fame—it’s up to Rose to quell the emotional, sexual, spiritual, and societal tempests brewing within the Mitwissers unsettled home. Hailed by the New York Times as “the most accomplished and graceful literary stylist of our time,” Cynthia Ozick is a recipient of the National Book Critics Circle Award, the PEN/Nabokov Award and PEN/Malamud Award, and Heir to the Glimmering World is yet another triumph from the author of the National Book Award finalist The Puttermesser Papers and Foreign Bodies. “A heroine to love, a story we can’t let go of, gorgeous sentences, and ideas to wrestle with. I didn’t just read the book, I devoured.” —Ann Patchett

Renderings James Sallis 1995
A man travels alone to an island. There he reflects on his life as an artist- a writer- and on the women he has loved. Soon the reader realizes that this man is on the edge of sanity, and his review of his life is his attempt to retain what he can of sanity and meaning. Renderings is a novel written so tightly that no air escapes and no impurity seeps in. Harlan Ellison says of the author: It is quite possible that speaking of Jim Sallis in the same tone as Poe and Dostoevski is not overblowing on my part. His early work indicates a mind and a talent of uncommon dimensions... He may well be one of the significant ones. New York Newsday: Sallis is a rare find...a fine prose stylist with an interest in moral struggle and a gift for the lacerating evocation of loss.

Twentieth Century Fiction Writers: James Sallis's extraordinary fiction is distinguished by it honesty and meticulous artistry.

Communities in Action National Academies of Sciences, Engineering, and Medicine 2017-04-27
In the United States, some populations suffer from far greater disparities in health than others. Those disparities are caused not only by fundamental differences in health status across segments of the population, but also because of inequities in factors that impact health status, so-called determinants of health. Only part of an individual's health status depends on his or her behavior and choice; community-wide problems like poverty, unemployment, poor education, inadequate housing, poor public transportation, interpersonal violence, and decaying neighborhoods also contribute to health inequities, as well as the historic and ongoing interplay of structures, policies, and norms that shape lives. When these factors are not optimal in a community, it does not mean they are intractable: such inequities can be mitigated by social policies that can shape health in powerful ways. Communities in Action: Pathways to Health Equity seeks to delineate the causes of
and the solutions to health inequities in the United States. This report focuses on what communities can do to promote health equity, what actions are needed by the many and varied stakeholders that are part of communities or support them, as well as the root causes and structural barriers that need to be overcome.

**Others of My Kind** James Sallis 2013-09-10 At age eight, Jenny Rowan was abducted and kept for two years in a box beneath her captor's bed. Eventually she escaped and, after living for eighteen months on scraps at the local mall, was put into the foster care system. Suing for emancipation at age sixteen, she became a legal adult. Now she works as a production editor for the local public TV station, and is one of the world's good people. One evening she returns home to find a detective waiting for her. Though her records are sealed, he somehow knows her story. He asks if she can help with a young woman who, like her many years before, has been abducted and traumatized. Initially hesitant, Jenny decides to get involved, reviving buried memories and setting in motion an unexpected interaction with the president herself. Brilliantly spare and compact as are all of James Sallis's novels, set in a near future of political turmoil, Others of My Kind is a story of how we shape ourselves by what happens to us, and of how the human spirit, whatever horrors it undergoes, will not be put down.

**The Keeper's Son** Homer Hickam 2007-04-01 In 1941, Killakeet Island of the wind-swept Outer Banks of North Carolina is home to a tiny, peaceful population of fishermen, clam stompers, oyster rakers, and a few lonely sailors of the Coast Guard. Dominating the glorious, raw beauty of the little island is the majestic Killakeet Lighthouse, which for generations has been the responsibility of one family, the Thurlows. However, Josh Thurlow, the Keeper's son, has forswn his heritage to become the commander of the Maudie Jane, a small Coast Guard patrol boat operating off Killakeet. Josh is still tortured by guilt, seventeen years after losing his baby brother at sea. Then his life is complicated by the arrival of the beautiful Dosie Crossan, who has journeyed to lonely Killakeet to escape the outside world and perhaps find a purpose in life. While Josh's heart is stirred by the often-vexing Dosie, he continues his search for his brother, even after a wolfpack of German U-boats arrives to soak the island's beaches with blood and oil. One of the U-boats is captained by Otto Krebs, a famed and ruthless undersea warrior. Krebs, a man also scarred by lost love, comes to Killakeet, however, with more than torpedoes and plans for war: He may also have the answer to the mystery that haunts Josh Thurlow. The Keeper's Son is a rousing, romantic tale of the power of the human heart forever searching for redemption.

**Death Will Have Your Eyes** James Sallis 2014-07-29 Mulholland Books takes pleasure in restoring to print an acclaimed novel of espionage and suspense by the author of Drive. David (as he's currently known) was a member of an elite corps of spies trained during the coldest days of the Cold War. For almost a decade he has been out of the game, working as a sculptor. Then a phone call in the middle of the night awakens him: the only other survivor from that elite corps has gone rogue. David is tasked with stopping him. What ensues is an existential cat-and-mouse game played out across the American landscape, through the diners and motels that dot the terrain like green plastic houses on a Monopoly board. Both a suspenseful novel of pursuit and a thematically rich exploration of the mind of a spy, Death Will Have Your Eyes is a contemporary classic of the espionage genre.

**Hogg** Samuel R. Delany 2015-06-02 The narrator of Hogg is a Huck Finn–like youngster caught in society's most sinister seams—but unlike Huck, he passes no moral judgments on the violence he takes part in . . . Hogg is the story of a man—a depraved trucker named Franklin Hargus, whom the people he works for call Hogg—and of the nameless boy who tells the story of three days of unspeakable sexual violence and devastation, which, together, they initiate in a small seaside American city in the middle of the last century. Hogg is a towering brute who makes his living as a rapist for hire. By the end of a series of vicious attacks, kidnappings, and mass murders, the reader will wonder who is more corrupt: the man or the boy. Samuel R. Delany completed his first draft of Hogg within a day, if not within hours, of the 1969 Stonewall Riots in New York City and revised it over the next four years, though it was...
not released until 1995.

*The Highway Kind: Tales of Fast Cars, Desperate Drivers, and Dark Roads* Patrick Millikin
2016-10-18 Thrilling crime stories about cars, driving, and the road from the world's bestselling and critically acclaimed writers. Like fiction, cars take us into a different world: from the tony enclaves of upper crust society to the lowliest barrio; from muscle car-driving con men to hardscrabble kids on the road during the Great Depression; from a psychotic traveling salesman to a Mexican drug lord who drives a tricked-out VW Bus. We all share the roads, and our cars link us together. Including entirely new stories from Michael Connelly, C.J. Box, George Pelecanos, Diana Gabaldon, James Sallis, Ace Atkins, Luis Alberto Urrea, Sara Gran, Ben H. Winters, and Joe Lansdale, *THE HIGHWAY KIND* is a street-level look at modern America, as seen through one of its national obsessions.

**Saint Glinglin** Raymond Queneau 2000
Saint Glinglin is a tragicomic masterpiece, a novel that critic Vivian Mercier said "can be mentioned without incongruity in the company" of Mann's Magic Mountain and Joyce's Ulysses. "By turns strange, beautiful, ludicrous, and intellectually stimulating" (as Mercier goes on to say), Saint Glinglin retells the primal Freudian myth of sons killing the father in an array of styles ranging from direct narrative, soliloquy, and interior monologue to quasi-biblical verse. In this strange tale of a land where it never rains, where a bizarre festival is held every Saint Glinglin's Day, Queneau deploys fractured syntax, hidden structures, self-imposed constraints, playful allusions, and puns and neologisms to explore the most basic concepts of culture. In the process, Queneau satirizes anthropology, folklore, philosophy, and epistemology, all the while spinning a story as appealing as a fairy tale.

**Chester Himes** James Sallis 2022-03-08
"[A] smart, conscientious, often stylish biography" of the great African American crime writer of the mid-twentieth century (The New York Times). Best known for The Harlem Cycle, the series of crime stories featuring Coffin Ed Johnson and Grave Digger Jones, Chester Himes was a novelist and memoirist whose work was neglected and underappreciated in his native America during the 1950s and '60s, even as he was awarded France's most prestigious crime fiction prize. In this major biography, literary critic and fellow writer James Sallis examines the life of this "fascinating figure," combining interviews of those who knew Himes best—including his second wife—with insightful and poignant writing (Publishers Weekly). “Himes wrote some of the 20th century’s most memorable crime fiction and has been compared to Jim Thompson, Raymond Chandler, and Dashiell Hammett. His life was just as spectacular as his novels. Sentenced to 25 years in prison for armed robbery when he was 19, he turned to writing while behind bars and, when released after serving eight years, published two novels. Their poor reception by the white establishment only confirmed Himes’s beliefs about racism in America. He eventually moved to Paris, spending most of the rest of his life abroad. While in Paris, he began to produce the crime fiction that would make him famous, including A Rage in Harlem and Cotton Comes to Harlem . . . [a] riveting biography." —Library Journal (starred review) "Satisfying, thoughtful, long-overdue." —Publishers Weekly “As intelligent, and as much fun to read, as a book by Himes himself. There is no higher praise.” —The Times (London)

**Sarah Jane** James Sallis 2019-10-01 A spare, sparkling tour de force about one woman’s journey to becoming a cop, by master of noir James Sallis, author of Drive. Sarah Jane Pullman is a cop with a complicated past. From her small-town chicken-farming roots through her runaway adolescence, court-ordered Army stint, ill-advised marriage and years slinging scrambled eggs over greasy spoon griddles, Sarah Jane unfolds her life story, a parable about memory, atonement, and finding shape in chaos. Her life takes an unexpected turn when she is named the de facto sheriff of a rural town, investigating the mysterious disappearance of the sheriff whose shoes she’s filling—and the even more mysterious realities of the life he was hiding from his own colleagues and closest friends. This kaleidoscopic character study sparkles in every dark and bright detail—a virtuoso work by a master of both and the tender aspects of human nature.

**Drive** James Sallis 2011-10-04 Much later, as he sat with his back against an inside wall of a Motel 6 just north of Phoenix, watching the pool of blood lap toward him, Driver would wonder whether he had made a terrible mistake. Later still, of course, there’d be no doubt. But for now Driver is, as they say, in the moment. And the moment includes this blood lapping toward him...

**Rizzio** Denise Mina 2021-09-07 From the multi-award-winning master of crime, Denise Mina delivers a radical new take on one of the darkest episodes in Scottish history—the bloody assassination of David Rizzo private secretary to Mary, Queen of Scots, in the queen’s chambers in Holyrood Palace. On the evening of March 9th, 1566, David Rizzo, the private secretary of Mary, Queen of Scots, was brutally murdered. Dragged from the chamber of the heavily pregnant Mary, Rizzo was stabbed fifty six times by a party of assassins. This breathtakingly tense novella dramatises the events that led up to that night, telling the infamous story as it has never been told before. A dark tale of sex, secrets and lies, Rizzio looks at a shocking historical murder through a modern lens—and explores the lengths that men and women will go to in their search for love and power. Rizzio is nothing less than a provocative and thrilling new literary masterpiece.

**Sorrow's Kitchen** James Sallis 2000 Slightly surrealistic, meditative, elegiac, this collection of poetry from author James Sallis is concerned with aging, relationships, loss, and love. It is poetry written and read late at night and in the early morning hours, when, sleepless, we think about life and what went wrong. Sallis is a noir genre mystery writer and the feeling of that genre is evident here-despair that is occasionally surprised by joy. For these poems are not dark and depressing, despite the subject matter; they are suffused with happiness, with the celebration of everyday events. They are the reflections of an author in full command of the language, who fully recognizes life’s triumphs as well as life’s losses.
