your desktop Develop native applications for the iPhone and iPod touch on Linux, Windows, or Mac Check email, receive MMS messages, use IRC, and record full-motion video Run any application in the iPhone's background, and mirror its display on a TV Make your iPhone emulate old-school video game platforms, and play classic console and arcade games Integrate your iPhone with your car stereo Build your own electronic bridges to connect keyboards, serial devices, and more to your iPhone without "jailbreaking" iPhone Hacks explains how to set up your iPhone the way you want it, and helps you give it capabilities that will rival your desktop computer. This cunning little handbook is exactly what you need to make the most of your iPhone. A Seniors Guide to iPhone 12 Mini Scott La Counte 2020-09-21 ★★★ Let's get started with iPhone 12 Mini ★★★ Apple proved it can still pull off a surprise in 2020 when it unveiled the iPhone 12 Mini. It's small, surprisingly affordable, and packed with all the powerful features people expect from an iPhone. But how do you use it?! I'm sure you are excited to use the phone, and maybe you even have! But if you really want to get the most out of your phone, then this guide will help. It skips all the highly technical and advanced stuff and tells you only about the things people actually use! If you are looking for a guide to help you get up and running as quickly as possible, then this book will help. It covers: What's new to iOS 14 The difference between all the phones Using an iPhone that doesn't have a
Home button Using Face ID How to add widgets to your Home screen
Organizing apps with the App Library
Buying, removing, rearranging, updating apps Taking, editing, organizing and sharing photos Apple Services Using Siri Using pre-installed apps like Notes, Calendar, Reminders, and more Making phone calls and sending messages Must have apps And much, much more! Are you ready to start enjoying your new iPhone? Then let's get started! Note: This book is not endorsed by Apple, Inc and should be considered unofficial. It is based on "The Ridiculously Simple Guide to iPhone 12 Mini" but has extra content covering accessibility.
