Together We Will Go J. Michael Straczynski 2022-02-22 The Breakfast Club meets The Silver Linings Playbook in this powerful, provocative, and heartfelt novel about twelve strangers who come together to make the most of their final days, from New York Times bestselling and award-winning author J. Michael Straczynski. Mark Antonelli, a failed young writer looking down the barrel at thirty, is planning a cross-country road trip. He buys a beat-up old tour bus. He hires a young army vet to drive it. He puts out an ad for others to join him along the way. But this will be a road trip like no other: His passengers are all fellow disheartened souls who have decided that this will be their final journey—upon arrival in San Francisco, they will find a cliff with an amazing view of the ocean at sunset, hit the gas, and drive out of this world. The unlikely companions include a young woman with a chronic pain sensory disorder and another who was relentlessly bullied at school for her size; a bipolar, party-loving neo-hippie; a gentle coder with a literal hole in his heart and blue skin; and a poet dreaming of a better world beyond this one. We get to know them through access to their texts, emails, voicemails, and the daily journal entries they write as the price of admission for this trip. By turns tragic, funny, quirky, charming, and deeply moving, Together We Will Go explores the decisions that brings these characters together, and the relationships that grow between them, with some discovering love and affection for the first time. But as they cross state lines and complications to the initial plan arise, it becomes clear that this is a novel as much about the will to live as it is the choice to end it. The final, unforgettable moments as they hurtle toward the outcomes awaiting them will be remembered for a lifetime.

The Other Wes Moore Wes Moore
2010-04-27 NEW YORK TIMES BESTSELLER
• The “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his “Underrated” Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn’t shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were
fatherless; they’d hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, The Other Wes Moore tells the story of a generation of boys trying to find their way in a hostile world. BONUS: This edition contains a new afterword and a The Other Wes Moore discussion guide.

Walk Two Moons Sharon Creech 2009-10-06 In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the "Indian-ness in her blood," travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a "potential lunatic," and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a thirteen-year-old girl whose only wish is to be reunited with her missing mother. You Deserve Each Other Sarah Hogle 2020-04-07 When your nemesis also happens to be your fiancé, happily ever after becomes a lot more complicated in this wickedly funny, lovers-to-enemies-to-lovers romantic comedy debut. Naomi wants out, but there’s a catch: whoever ends the engagement will have to foot the nonrefundable wedding bill. But with the countdown looming to the wedding that may or may not come to pass, Naomi finds her resolve slipping. Springwater Wedding Linda Lael Miller 2001-09-07 Linda Lael Miller returns to an unforgettable Montana town for a very special occasion.... SPRINGERWATER WEDDING Once a frontier stagecoach stop, tiny Springwater has grown and changed and entered the twenty-first century. Cattle rustlers may still be stirring up trouble, but now they're high-tech operators in a modern world. Where stagecoaches once rolled along muddy roads, the Internet is now the newest highway in town. But heartbreak is still heartbreak and love still love, and Springwater still boasts a rich legacy of joy, sorrow, and second chances -- as two childhood sweethearts discover when they rekindle a long-ago passion in the place they will always call home. Maggie McCaffrey left her fast-paced corporate job to take a chance on a more rewarding -- but riskier -- business venture: turning the dilapidated Springwater Station into a bed-and-breakfast. But Maggie didn't count on running straight into J.T. Wainwright, the hometown boy who stole her heart many years before. A tough former New York City cop, J.T. survived a grave gunshot wound and returned to Springwater to find a better way of life. Now, as deputy town marshal, he's facing off with modern-day cattle thieves who are plaguing local ranchers. Stronger than ever, J.T. seems ready for anything -- except, of course, Maggie. As Maggie's B&B begins to take root, a delightful new cast of Springwater locals passes through its doors. Maggie's parents, Kathleen and Reece, are finding that their forty-year marriage requires a little renegotiating now and then. Cindy, a
teenage newlywed with a baby on the way, is learning about love and sacrifice for the first time. And town marshal Purvis Digg is turning Springwater upside down by dating a woman he met on the Internet. As always, Linda Lael Miller enchants readers with her portrayal of the complex tangle of life and love in a small town. With her trademark sensuality and her pair for wit, she once again brings Springwater to life -- this time, at the dawn of a new era.

Tempting the Prince  Christi Barth
2020-08-24 What happens when you mix an average American woman with a decidedly not average future King? A whole lot of complications. It started when my all-American sister found out that she’s not actually my sister—she’s a princess of a country we’d never heard of. And when she was whisked off to her new palace, I went with her. Now I’m an outsider who doesn’t fit in anywhere. I should go back to my exciting new career in New York. I absolutely should not stay in a country where I suck so badly at the national sport that I accidentally murdered the symbol of the monarchy in front of half the country. And I can’t stop ogling the Crown Prince. He’s supposed to marry a very important princess (not me). He’s supposed to father the next heir to the throne (without me). And he just gave me the best sex of my life. Did I mention that it’s complicated?

Anything, that is, besides accepting a date from the Hollywood
hunk hired to inject a dose of star power into their production of Guys & Dolls. It's a toss up whether his greatest claim to fame is playing a superhero on screen, or a super stud off screen. Neither fact convinces her he's got what it takes to share her stage. Luke Powell has fame, fortune, and an endless string of women, but also a lingering dissatisfaction with his picture perfect life. Looking for a change, he escapes to his theatrical roots. What he finds are wary cast mates, a nervous best friend convinced the show will ruin Luke's career, and an adorable costar who stubbornly refuses to go out with him. Suddenly singing and dancing aren't the only challenges he'll tackle over the summer. Despite Luke dragging her into his daily paparazzi nightmare, Linnea can't deny her mounting attraction to his irresistible charm. And even if she's crazy enough to chance getting involved, their fling would have a guaranteed expiration date. He's headed back to Hollywood at the end of the run, and she's tied to her family's theatre. Why risk the inevitable heartbreak? Their job is to act like they're in love, but will they decide it's worth the leap to fall in love for real?
