Field Guide to Classic Farm Tractors Robert N. Pripps 2016-07-01 All the classic farm tractors you remember, plus new ones to discover, are all here in this complete photo-packed collection. A classic farm tractor is a conversation starter and a comforting reminder of childhoods on the farm and adulthoods twisting a wrench in the driveshaft. Tractors are cultural touchstones of another era, as familiar as the smell of apple pie baking in a farmhouse kitchen. All of that nostalgia is here in Field Guide to Classic Farm Tractors. In this photo-saturated guidebook, you’ll recognize the big brands of classic farm tractors, such as Allis-Chalmers, J. I. Case, Caterpillar, John Deere, Ford, and International Harvester (including Farmall). Also well-represented are small and no-longer-existing brands like Advance-Rumely, Cockshutt, Eagle, Fate-
Root-Heath, Harry Ferguson, Friday Tractor, Hart-Parr, and Minneapolis-Moline. There are tractors from the United States, Canada, and Europe. Field Guide to Classic Farm Tractors includes more than just handsome color photos of these powerful machines. Each model description includes all the pertinent details: engine rpms, type of fuel, maximum speed, wheel configurations, weight, number of plows the tractor can handle, and variations. With more than five hundred tractor models and an array of color photographs depicting the most iconic ones, Field Guide to Classic Farm Tractors is a valued addition to any tractor lover’s bookshelf.

**The Conscious Closet** Elizabeth L. Cline 2019-08-20 From journalist, fashionista, and clothing resale expert Elizabeth L. Cline, “the Michael Pollan of fashion,”* comes the definitive guide to building an ethical, sustainable wardrobe you’ll love. Clothing is one of the most personal expressions of who we are. In her landmark investigation Overdressed: The Shockingly High Cost of Cheap Fashion, Elizabeth L. Cline first revealed fast fashion’s hidden toll on the environment, garment workers, and even our own satisfaction with our clothes. The Conscious Closet shows exactly what we can do about it.
Whether your goal is to build an effortless capsule wardrobe, keep up with trends without harming the environment, buy better quality, seek out ethical brands, or all of the above, The Conscious Closet is packed with the vital tools you need. Elizabeth delves into fresh research on fashion’s impacts and shows how we can leverage our everyday fashion choices to change the world through style. Inspired by her own revelatory journey getting off the fast-fashion treadmill, Elizabeth shares exactly how to build a more ethical wardrobe, starting with a mindful closet clean-out and donating, swapping, or selling the clothes you don’t love to make way for the closet of your dreams.

The Conscious Closet is not just a style guide. It is a call to action to transform one of the most polluting industries on earth—fashion—into a force for good.

Readers will learn where our clothes are made and how they’re made, before connecting to a global and impassioned community of stylish fashion revolutionaries. In The Conscious Closet, Elizabeth shows us how we can start to truly love and understand our clothes again—without sacrificing the environment, our morals, or our style in the process. *Michelle Goldberg, Newsweek/The Daily Beast
