spirituality for straightforward advice, empowering skills, body practices, and more to help you realize a life of fulfillment, immediately and without compromise.

**The Giving Tree** Shel Silverstein 2014-02-18 As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. “Once there was a tree...and she loved a little boy.” So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another’s capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein’s incomparable career as a bestselling children’s book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including A Giraffe and a Half, Where the Sidewalk Ends, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don’t Bump the Gump!, and Runny Babbit. And don’t miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!

**In Our Prime: How Older Women Are Reinventing the Road Ahead** Susan J. Douglas 2020-03-10 Do you see women your age portrayed as puttering gardeners and docile grannies? Do you feel bombarded by anti-aging products that insist you must “defy” getting older? Do you feel invisible in professional and social situations? And have you had enough and are you ready to challenge the intertwining of sexism and ageism in our culture? Susan Douglas knows that you are not alone. She declares it is time now for the largest female generation over fifty to reinvent what it means to be an older woman and to challenge the outdated stereotypes—think doddering or shrewish—that Hollywood and TV have assigned them. She zones in on how their work intersects with their industries, and how Big Pharma ads equate getting older with disease and decline. Douglas exposes the ageism that mature women face at work and why conservatives’ decades-long attacks on Social Security, Medicaid, and Medicare disproportionately affect women. With a sharp sense of justice and fresh wit, In Our Prime sees a social movement emerging that may help to create a different view of and life for older women. It celebrates Gray Panther Maggie Kuhn, who broke down legal barriers in the past, as well as today’s activists, career women, actors, and others who defy stereotypical images by embracing their age and remaining strong and socially involved. Ultimately, Douglas calls on women of all ages to join together now to fight against gendered ageism, to secure our country’s financial safety net, and to make a brighter, more welcome future for older women.

**The Feminine Mistake** Leslie Bennetts 2007-04-03 Women are constantly being told it’s simply too difficult to balance work and family, so if they don’t really “have to” work, it’s better for their families if they stay home. Not only is this untrue, Leslie Bennetts says, but the arguments in favor of stay-at-home motherhood fail to consider the surprising benefits of work and the unexpected toll of giving it up. It’s time, she says, to get the message across—combining work and family really is the best choice for most women, and it’s eminently doable. Bennetts and millions of other working women provide ample proof that there are many different ways to have kids, maintain a challenging career, and have a richly rewarding life as a result. Earning money and being successful not only make women feel great, but when women sacrifice their financial autonomy by quitting their jobs, they become vulnerable to divorce as well as the potential illness, death, or unemployment of their bread-winner husbands. Further, they forfeit the intellectual, emotional, psychological, and even medical benefits of self-sufficiency. The truth is that when women gamble on dependancy, most eventually end up on the wrong side of the odds. In riveting interviews with women from a wide range of backgrounds, Bennetts tells their dramatic stories--some triumphant, others heart-breaking. The Feminine Mistake will inspire women to accept the challenge of figuring out who they are and what they want to do with their lives in addition to raising children. Not since Betty Friedan has anyone offered such an eye-opening and persuasive argument for why women can—and should—embrace the joyously complex lives they deserve.

**Oathbringer** Brandon Sanderson 2017-11-14 The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin’s Alethi armies won a fleeting victory at a terrible cost. The enemy Farshind summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearth dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar’s blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the resolution of the Knights Radiant will not prevent the end of civilization. Other Tor books by Brandon Sanderson The Cosmere The Stormlight Archive The Way of Kings Words of Radiance Edgedancer (Novella) Oathbringer The Mistborn trilogy Mistborn: The Final Empire The Well of Ascension The Hero of Ages Mistborn: The Wax and Wayne series Alloy of Law Shadows of Self Bands of Mourning Arcanum Unbounded Other Cosmere novels Elantris Warbreaker The Alcatraz vs. the Evil Librarians series Alcatraz vs. the Evil Librarians The Scrivener’s Bones The Knights of Crystallista The Shattered Lens The Dark Talent The Rithmatist series The Rithmatist Other books by Brandon Sanderson The Reckoners Steelheart Firefight Calamity At The Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Falling** Cameron Dane 2012-07-01 Cain Hawkins is a master at suppressing his desires. After all, he’s been doing it for more than a century. What Cain wants more than anything is a man to love, but he knows that no one wants a man like Cain. Cain has no memories and no past. He knows his soul is old, but he knows nothing else. Cain’sNever Demon and true he is forty, is more than forbidden, it is an act that will bring about his death. Cain keeps to himself, working with abused horses on a small patch of land, all on his own. Then Cain’s brother makes a request he can’t refuse. Luke Forrester just wants a job and a place where he can recover from a brutal beating. He dreams of a ranch where he can work with the horses he loves so much. He can’t let the fact that he’s had a crush on Cain for more than two years matter. Luke is determined not to screw things up. He will prove to Cain it wasn’t a mistake to hire him, and he won’t allow the secret that he dreams about Cain every night interfere with his work. But working and living in such close proximity can test the best of intentions, and when one kiss leads to something much, much more, everything changes. Cain must trust Luke completely. And together, he and Luke must find a way to fight for Cain’s humanity and save him from his demon clan before he is found out and they are ripped apart forever.-- CONTENT NOTE: This is an erotic romance novel and contains explicit acts of male/male loving. Also contains sex in shifted demon form, as well as a scene of violent assault and sexual torture at the hands of a villain.-- (Falling is book two in the Hawkins Ranch series but was written/can be read as a stand alone title)

**The Feminine Mystique** Betty Friedan 2010 When Betty Friedan produced The Feminine Mystique in 1963, she could not have realized how the discovery and debate of her contemporaries’ general malaise would shake up society. Victims of a false belief system, these women were following strict social convention by loyally conforming to the pretty image of the magazines, and found themselves forced to seek meaning in their lives only through a family and a home. Friedan’s controversial book about these women - and every woman - would ultimately set Second Wave feminism in motion and begin the battle for equality. This groundbreaking and life-changing work remains just as powerful, important, and brave as it was forty years ago, and is essential reading both as a historical document and as a study of women living in a man’s world. ‘One of the most influential nonfiction books of the twentieth century.’ New York Times ‘Feminism ...... began with the work of a single person: Friedan.’ Nicholas Lemann With a new Introduction by Lionel Shriver

**The Female Thing** Laura Kipnis 2009-03-12 From the author of the acclaimed Against Love comes a pointed, audacious, and witty examination of the state of the female psyche in the post-post-feminist world
of the twenty-first century. Women remain caught between feminism and femininity, between self-affirmation and an endless quest for self-improvement, between playing an injured party and claiming independence. Rather than blaming the usual suspects—men, the media—Kipnis takes a hard look at culpits closer to home, namely women themselves. Kipnis serves up the gory details of the mutual displeasure between men and women in painfully hilarious detail. Is anatomy destiny after all? An ambitious and original reassessment of feminism and women’s ambivalence about it, The Female Thing breathes provocative new life into that age-old question.

**Feminism Is for Everybody** bell hooks 2014-10-10 What is feminism? In this short, accessible primer, bell hooks explores the nature of feminism and its positive promise to eliminate sexism, sexist exploitation, and oppression. With her characteristic clarity and directness, hooks encourages readers to see how feminism can touch and change their lives—to see that feminism is for everybody.

**Primates of Park Avenue** Wednesday Martin 2016-05-31 "Like an urban Dian Fossey, Wednesday Martin decodes the primate social behaviors of Upper East Side mothers in a brilliantly original and witty memoir about how the rich write the rules of a society without rules. In this full-length anthropological study, Martin, a anthropologist, examines every aspect of real estate, fashion, relationships, marriage, and motherhood. She delves into the goings-on of the most elite NYC zip code. Her research reveals the psychology of the rich, the obsession with status, the panic/paranoia that drives them. The book is a fascinating, hilarious, and a bit scary expose on the lives of the playground champions of the upper class."

**Cat Call** Kristen Sollée 2019-09-09 Drawing on her background in anthropology and primatology, she tried looking at her new world through that lens, and suddenly things fell into place. She understood the other mothers’ snobiness at school drop-off when she compared them to olive baboons. Her obsessional quest for a Hermes Birkin handbag made sense when she realized other females wielded them to establish dominance in their troop. And so she analyzed tribal migration patterns; display rituals; physical adornment, mutilation, and mating practices; extra-pair copulation; and more. Her conclusions are smart, thought-provoking, and hilariously unexpected. Every city has its Upper East Side, and in Wednesday's memoir, readers everywhere will recognize the strange cultural codes of powerful social hierarchies and the compelling desire to climb them. They will also see that Upper East Side mothers want the same things for their children that any mothers want–safety, acceptance, happiness, all of the same things any young woman wants for herself. She shows how our society’s reaction to every high-performing woman is the same as its reaction to every high-performing tribal leader–the ecologically released tribe from the universal experiences of anxiety and loss. When Wednesday’s life turns upside down, she learns how deep the bonds of female friendship really are. Intelligent, funny, and heartfelt, Primates of Park Avenue lifts a veil on a secret, elite world within a world--the exotic, fascinating, and strangely familiar culture of privileged Manhattan motherhood."

**Lean In** Sheryl Sandberg 2013-03-11 The #1 international best seller In Lean In, Sheryl Sandberg reimagined the conversation around women in the workplace. Sandberg is chief operating officer of Facebook and coauthor of Option B with Adam Grant. In 2010, she gave an electrifying TED talk in which she described how women unintentionally hold themselves back in their careers. Her talk, which has been viewed more than 25 million times, is a modern classic and her book Lean In is one of the most important and widely read business books of the twenty-first century. One rooted in inclusion and awareness.

**We Should All Be Feminists** Chimamanda Ngozi Adichie 2015 Offers an updated definition of feminism for the twenty-first century, one rooted in inclusion and awareness. Radically Womanhood Carolyn McCulley 2008-10-01 Biblical womanhood is not for the weak. In an age that seeks to obliterate God and His authority, modeling biblical womanhood involves spiritual warfare. RadicallyWomanhood seeks to equip new believers and long-time Christians alike, exposing the anti-God agenda of the three waves of feminism to date and presenting the pro-woman truth of the Scriptures. Illustrated with numerous personal testimonies, this book will dig deep into the Word and show how it can be lived out today. The foundation and core message of Radical Womanhood is consistent with the traditional complementarian teaching on biblical womanhood. However, the target audience, tone, and style are radically different. Most books on this subject take a heavily didactic tone that assumes an awareness of Christian lingo and a high degree of spiritual maturity. Radical Womanhood has the narrative approach appreciated by postmodern readers, but still incorporates solid, biblically-based teaching for personal application and growth.

**13 Things Mentally Strong Women Don’t Do** Amy Morin 2018-12-31 In the time of the #MeToo and TimesUp movement, international bestselling author and leading global expert on mental strength Amy Morin turns her focus to feminism, explaining what it means—and what it takes—to be a mentally strong woman. The emergence of the #MeToo and #TimesUp movements have awakened society and encouraged women to find their voice and claim their power. But to do this, women must learn to improve their own mental strength. Contending with a host of difficult issues—from sexual assault on college campuses, to
equal pay and pay gaps, to mastering different negotiation styles—demands psychological toughness. In this crucial book, prominent psychotherapist and licensed clinical social worker Amy Morin gives women the techniques to build mental muscle—and just as important, she teaches them what not to do. What does it mean to be a mentally strong woman? Delving into critical issues like sexism, social media, social comparison, and social pressure, Amy addresses this question and offers thoughtful, intelligent advice, practical tips, and specific strategies and combines them with personal experiences, stories from former patients, and both well-known and untold examples from women from across industries and pop culture. Throughout, she explores the areas women—and society at large—must focus on to become (and remain) mentally strong. Amy reveals that healthy, mentally tough women don’t insist on perfection; they don’t compare themselves to other people; they don’t see vulnerability as a weakness; they don’t let self-doubt stop them from reaching their goals. Wise, grounded, and essential, 13 Things Mentally Strong Women Don’t Do can help every woman flourish—and ultimately improve our society as well.

100 of the Most Outrageous Comments about Feminine Mistake

Jack Syers 2013-04 In this book, we have a series of handwritten notes, uncollated, unexpurgated, and original musings of "Feminine mistake, the: are we giving up too much?" Don’t say we didn’t warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don’t buy this book if: 1. You don’t have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You’ve heard it all.

Women in Love

D. H. Lawrence 2019-06-07 Women in Love follows lives of the Brangwen sisters, Ursula a schoolteacher, and Gudrun a painter. They meet two men who live nearby, school inspector Rupert Birkin and Gerald Crich, heir to a coal-mine, and the four become friends. Ursula and Birkin begin a romantic friendship; while Gudrun and Gerald eventually begin a love affair. The emotional relationships thus established are given further depth and tension by an intense psychological and physical attraction between Gerald and Rupert. All four are deeply concerned with questions of society, politics, and the relationship of sex to it. The novel ranges over the whole of British Society before the time of the First World War and eventually concludes in the snows of the Tyrolean Alps.

For-giving

Genevieve Vaughan 1997 Diary of an Oxygen Thief Anonymous 2016-05-23 Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer’s assistant and, somehow, they met in Bright Lights, Big City. He’s blinded by love. She by ambition. Diary of an Oxygen Thief is an honest, hilarious, and heartrendng novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

Gallant

V. E. Schwab 2022-03-01 An INSTANT #1 NEW YORK TIMES BESTSELLER A USA TODAY BESTSELLER A NATIONAL INDIE BESTSELLER "A bone-chilling standalone . . . which fuses Shirley Jackson’s gothic horror sensibilities with the warmth and dark whimsy of Neil Gaiman."—Publishers Weekly, starred review "Gripping worldview, well-rounded characters, and fantastic horror."—Kirkus Reviews, starred review "Unsettling and intriguing."—Bulletin of the Center for Children’s Books, starred review Everything casts a shadow. Even the world we live in. And as with every shadow, there is a place where it must touch. A seam, where the shadow meets its source. What we allow to have done to us.

Atlas Shrugged

Ayn Rand 2005-04-21 Peopled by larger-than-life heroes and villains, charged with towering questions of good and evil, Atlas Shrugged is Ayn Rand’s magnum opus: a philosophical revolution told in the form of an action thriller—nominated as one of America’s best-loved novels by PBS’s The Great American Read.

The Glass Castle

Jeannette Walls 2006-01-02 Journalist Walls grew up with parents whose ideals and stubborn nonconformity were the curse and their salvation. Rex and Rose Mary and their four children lived over ten years in the Masters of the Universe, a bizarre, marauding bunch who operated under a code of strange mixtures of hippie idealism and mad-dog sadism. Their house is a monstrous, charming, brilliant man who, when sober, captured his children’s imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn’t stand the responsibility of providing for the family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The Feminist Mistake

Mary A. Kassian 2005 Can feminism be squared with the Bible? Kassian meets this question head-on with a thorough and balanced inquiry into the history of feminism followed by a biblical, point-by-point critique of its harmful movement.

Opting Out?

Pamela Stone 2008-06-02 In this book Stone explores the reasons why high-achieving women with children interrupt their professional careers. This qualitative study, using the life history interview, shows that women are not opting out, but are being shut out by inflexible employers.

Last Girl Before Freeway

Leslie Bennetts 2016-11-15 Named one of “40 Gifts for the Book Lover on Your List,” by Good Housekeeping: the definitive book about Joan Rivers’ tumultuous, victorious, tragic, hilarious, and fascinating life. Joan Rivers was more than a legendary comedian; she was an icon and a role model to millions, a fearless pioneer who left a legacy of expanded opportunity when she died in 2014. Her life was a dramatic roller coaster of triumphant highs and devastating lows: the suicide of her husband, her feud with Johnny Carson, her estrangement from her daughter, her many plastic surgeries, her ferocious ambition and her massive insecurities. But Rivers’ career was also hugely significant in American cultural history, breaking down barriers for her gender and pushing the boundaries of truth-telling for women in public life. A juicy, intimate biography of one of the greatest comedians ever -- a performer whose sixty year
personal finances outlines strategic steps for handling the challenges of various life stages, sharing additional recommendations for enjoying financial accomplishments.

Mindfulness (HBR Emotional Intelligence Series) Harvard Business Review 2017-04-18 The benefits of mindfulness include better performance, heightened creativity, deeper self-awareness, and increased charisma—not to mention greater peace of mind. This book gives you practical steps for building a sense of presence into your daily work routine. It also explains the science behind mindfulness and why it works and gives clear-eyed warnings about the pitfalls of the fad. This volume includes the work of: Daniel Goleman, Ellen Langer, Susan David, Christina Congleton. This collection of articles includes “Mindfulness in the Age of Complexity,” an interview with Ellen Langer by Alison Beard; “Mindfulness Can Literally Change Your Brain,” by Christina Congleton, Britta K. Höfzel, and Sara W. Lazar; “How to Practice Mindfulness Throughout Your Work Day,” by Rasmus Hougaard and Jacqueline Carter; “Resilience for the Rest of Us,” by Daniel Goleman; “Emotional Agility: How Effective Leaders Manage Their Thoughts and Feelings,” by Susan David and Christina Congleton; “Don’t Let Power Corrupt You,” by Dacher Keltner; “Mindfulness for People Who Are Too Busy to Meditate,” by Maria Gonzalez; “Is Something Lost When We Use Mindfulness as a Productivity Tool?” by Charlotte Lieberman; and “There Are Risks to Mindfulness at Work,” by David Brendel. How to be human at work. The HBR Emotional Intelligence Series features smart, essential reading on the human side of professional life from the pages of Harvard Business Review. Each book in the series offers proven research showing how our emotions impact our work lives, practical advice for managing difficult people and situations, and inspiring essays on what it means to tend to our emotional well-being at work. Uplifting and practical, these books describe the social skills that are critical for ambitious professionals to master.

The 48 Laws Of Power Robert Greene 2010-09-03 THE MILLION COPY INTERNATIONAL BESTSELLER

Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven’t? JAY-Z: I would say that it’s from still being able to relate to people. It’s natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he’s my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

12 Rules for Life Jordan B. Peterson 2018 “What does everyone in the modern world need to know? [The author’s] answer to this most difficult of questions uniquely combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. [The author discusses] discussing discipline, freedom, adventure and responsibility, distilling the world’s wisdom into 12 practical and profound rules for life”--

The Feminine Mystique Betty Friedan 2001-09-17 Released for the first time in paperback, this landmark social and political volume on feminism is credited with being responsible for raising awareness, liberating both sexes, and triggering major advances in the feminist movement. Reprint.
